THE CITY OF HARRISBURG AND CAPITAL REGION WATER TO HOST MWDBE NETWORKING & CERTIFICATION EVENT

HARRISBURG (May 25, 2018): The City of Harrisburg and Capital Region Water will be holding a Minority/Women/Disadvantaged Business Enterprise networking and certification event on June 1, 2018. This event, sponsored by the Keystone Contractors Association, will connect local construction companies through networking and increase opportunities for small, diverse businesses on upcoming construction projects.

The City of Harrisburg will host a press conference with Mayor Eric Papenfuse to provide more details about the event on Wednesday, May 30 at 10 AM in the City Government Center atrium located 10 North 2nd Street.

Event Details:

What: Doing Business with the City of Harrisburg and Capital Region Water, Meet the Primes & MWDBE Certification Event

When: Friday, June 1, 9:00 AM – 3:00 PM

Where: National Civil War Museum, 1 Lincoln Circle, Harrisburg, PA 17103

Register Online: capitalregionwater.com/businessdiversity

MBE/WBE/DBE certifying agencies, financial institutions, and bonding and insurance firms will also be on hand to help local businesses prepare for doing business with the City of Harrisburg and Capital Region Water.

In 2016, Capital Region Water passed a MWDBE Plan requiring minimum participation levels for MWDBE on all construction projects that exceed the bidding threshold established for municipal authorities in Pennsylvania. More information about Capital Region Water's Business Diversity Program and MWDBE Plan can be found online at capitalregionwater.com/businessdiversity.
