Annual Base Membership Dues of \$350 + Volume Dues = _____

Volume Dues Explanation: The Volume Dues only applies to the General Contractor category. The amount owed for this is: \$100 per million of volume from previous year (only for volume in excess of \$5 million). For example, \$10 million in volume would translate into $\$100 \times 5 = \500 and in this example the contractor would owe $\$500 + \$350 = \$850$. The maximum amount for dues is \$2,850 ($\$2,500 + \$350 = \$2,850$).

For Contractor categories, what building trade union members to you employ:
